LIFAN E4 45KPH FEATURES

ALLOY SWINGARM

This is a high specification machine with many small details like the cast Alloy swing arm that would only usually be found on higher priced machines. Providing Quality without compromise.

HIGH QUALITY 60V 26Ah BATTERY

A high quality 60V 26Ah Lithium-ion Greenway battery is fitted with LG cells to ensure reliable long term performance. A second battery can be purchased to double the scooter's range

EASY CHARGE

The battery fully charges in only 6 hours and can be done on the scooter, or simply removed and recharged away from the scooter, whichever is most convenient for you. The battery pack only weighs 12 kgs.

LED HEADLIGHT + DRL's

The LED headlight and daytime running lights not only give the rider a great view of the road ahead, but also ensure you are highly visible to other road users, in all conditions, day or night.

LED REAR TAILLIGHT & INDICATORS

LED rear light and indicators are super bright so other road users know you are there. They also put less drain on the batteries, improving efficiency

DIGITAL LCD DISPLAY

LCD digital display is precise and easy to read and gives you all the information you require.

STYLISH DESIGN

The MGB E4 was designed in Italy with sleek, sharp lines and looks fantastic!

TWIN SHOCK REAR SUSPENSION

Twin piggy back rear shocks gives a controlled and comfortable ride.

QUALITY ROLLING CHASSIS

The E4 belies it's low price tag with a quality rolling chassis comprising of strong but light steel cradle frame, RWU telescopic front forks, aluminium swingarm and twin piggy back shock absorbers, 12" alloy wheels with Kingstone tyres and front and rear disc brakes all fitted as standard.

LARGE ALLOY REAR RACK

The E4 has a large cast aluminium rear rack with grab rails - perfect for carrying a soft bag or mounting a top box to provide you with additional secure storage. Please Note - Top Box shown in the pictures is an optional extra and Not standard fitment.
